

10th Norwegian Plug & Abandonment Seminar

October 20th 2022, Stavanger

Quality Airport Hotel

09:00-17:00

We would like to repeat the previous years success and invite operators and the service industry to the 10th Norwegian P&A seminar.

The P&A Forum was established in 2009 to promote development of robust and cost-efficient solutions to the current and upcoming P&A challenges on the Norwegian Continental Shelf.

The main purpose of the seminar

Present the latest status to the audience, experience transfer and to encourage the industry to resolve the P&A challenges.

The agenda will include:

- **Introduction and P&A Regulatory Updates**
- **P&A Experience Transfer**
- **P&A and the Environmental challenges**
- **P&A Experience Transfer – Rig Less**
- **P&A Technology needs**
- **P&A Experience Transfer – Rig Based**

Lunch will be provided

Networking opportunities

Poster session - **By invitation only**

An agenda will be issued in September 2022

Registration available from early September
